

Pecan Grower Exemption Report Form

Texas Pecan Board
PO Box 15889
College Station, TX 77841

The formation of a statewide Texas commodity program for pecans was approved by Texas pecan growers on August 25, 1998. As a result, an assessment of one-half (½) cent per pound of inshell pecans is to be collected by the first handler of the pecans and remitted to the Texas Pecan Board. All Texas pecan producers having more than 500 trees on at least 15 acres are subject to this assessment.

I, the undersigned, do hereby declare that I am not subject to the statewide Texas pecan assessment of one-half (½) cent per pound of inshell pecans because I do not meet the above stated criteria, namely having less than 500 trees on at least 15 acres.
